PROFILES - COACHES

MICHAEL HICKEY - Entering his second season as head coach of the varsity basketball team. Was a member of the Georgians in 1971-72 and 1972-73 and was selected as a Quebec University Athletic Association All-Star. Played basketball at St. Michael's College in Vermont before coming to Sir George. Youngest university coach in Canada, posted a 30-8 and captured the Q.U.A.A. crown as he guided Sir George to the national semi-finals in his first year.

MIKE DAWSON - In his second year as assistant coach of the Georgians; also handled the J.V. squad last year. Mike, presently working on his Masters degree in History, played four seasons for the Garnet and Gold. Coached the St. Lambert Biddy team to the Provincial championships in 1966 and the St. Lambert midget squad to the Quebec crown in 1971.

PROFILES - PLAYERS

JACQUES ARSENAULT - 5'11" - 170:

Returning to the Georgian squad after playing half a season for Sir George in 1973-74. A strong off-season conditioning program has made Jacques a valuable asset. Great outside shooter, must learn to handle the ball better.

STAN CYRANKOWSKI - 5'9" - 135:

Coming off a knee injury coach Hickey is expecting a lot for the two year veteran. Had great training camp and will set alot of action in Sir George's running game.

GUS HAIG - 6'2" - 180:

Played two years at Bishop's University and sat out last year. Will be used as a swing man, filling in as a guard and forward. Has a fine outside shot and is strong driver who should score a lot of points.

KIM KURTZ - 6'3" - 195:

First played for Sir George in the 1969-70 season. A two-year lay off from basketball has hindered Kim's training camp. Will help Georgians under the boards, and has a fine outside jump. Brother of Loyola's Dave Kurtz.

PRESTON JENNINGS - 6'1" - 175:

Preston played for the Georgians under Fred Whitacre in the 1960's. Returning to Sir George to work on a Masters of Business Administration. Because of a heavy schedule, Preston probably will not play until the second semester. Counted on heavily to come off the bench for rebounding and scoring.

MIKE MOORE - 6'7" - 200:

One of the most talented players to wear a Georgian uniform. A strong rebounder and defensive player, Mike is Sir George's first legitimate big man. Played four years at Manhattan College where he earned an Economics degree. Spent last year playing in Switzerland. Will pursue a Masters of Business Administration degree at Sir George.

RANDY PHILLIPS - 6'5" - 200:

Will alternate at the forward and center spot this year. Last year's starting center averaged ten points a game for the Georgians. Teamed with Pelzer and Moore in the forecourt will give Sir George one of the strongest rebounding teams in the country.

ZAN PELZER - 6'3" - 195:

The Q.U.A.A.'s top scorer and team's leading rebounder, Pelzer is returning for his second year at Sir George. Averaged over 20 points a game last season and expects a bigger season in 1973-74. Although only 6'2", plays like 6'6" under the boards. A sound defensive ball player.

JOHN ZUKAUSKAS - 6'0" - 155:

John was invaluable last year as the Georgians sixth man. Good outside shooter who makes up for his lack of height with hustle and desire. In his last year of a five year commerce degree program.

PROFILES - PLAYERS (cont'd)

CARL WHITFIELD - 5'9" - 150:

This newcomer from Hempstead, N.Y. is expected to be the team's quarterback in the absence of Tom Brethel and Charlie Chambers. Well versed in the game's fundamentals, but lacks experience. Played last year at Nassau Junior College.

ATHLETIC THERAPIST

GARY CUMMINGS:

Now in his third season with Sir George. A graduate of University of Guelph where he earned a Bachelor of Science in Physical Education degree. His varied experience and dedication makes him invaluable to Sir George's program.

STATISTICIAN

TOM BRETHEL:

Former All-Canadian guard will assist Hickey and Dawson part-time with stats as well in practice. Has good "basketball head". Finishing up his B.A. degree at Sir George.
